

## Taxi Contract

Provision of a taxi to Ardmore is dependent upon the following contract being signed and followed at all times:

- I will wear my seat belt at all times,
- I will remain in my seat,
- I will not smoke in the taxi,
- I will not cause any damage to the taxi
- I will not argue or 'wind up' other pupils,
- I will not distract the driver,
- I will not annoy, threaten or hit other pupils,
- I will follow all safety instructions given to me by the driver,
- I will not give rude signs from the window.
- I will not shout out at passers-by.
- I will not throw anything out of the taxi.
- I will not make offensive remarks.

The taxi driver will fill in a daily monitoring sheet and record any negative incidents. Misbehaviour may result in the taxi service being withdrawn and a bus pass being issued.
