  - Education. (A.28)

Ardmore House Addressing Bullying Policy is drawn up in the context of our underpinning values of 'Help, Care, Support'. We in Ardmore House have a responsibility for the care, welfare and safety of all our pupils and we will do this by creating a caring, supportive and safe environment which values the individuals and seeks to meet their needs. We believe in a society where bullying is unacceptable and where every young person is safe and feels safe from bullying. We believe that every young person should be celebrated in their diversity. We are committed to a preventative, responsive and restorative anti-bullying ethos across the whole school. We understand that everyone in our school community has a role to play in taking a stand against bullying and creating a safe and welcoming environment for all.

#### **Addressing Bullying in Schools Definition of "bullying":**

**1.—(1) In this Act "bullying" includes (but is not limited to) the repeated use of—**

**(a) any verbal, written or electronic communication,**

**(b) any other act, or**

**(c) any combination of those, by a pupil or a group of pupils against another pupil or group of pupils, with the intention of causing physical or emotional harm to that pupil or group of pupils.**

**(2) For the purposes of subsection (1), "act" includes omission.**

***Bullying is behaviour that is usually repeated, which is carried out intentionally to cause hurt, harm or to adversely affect the rights and needs of another or others.***

While bullying is usually repeated behaviour, there are instances of one-off incidents that the school will consider as bullying. There is no definitive list of incidents that will be considered bullying; rather an incident against will be judged against the following criteria.

***When assessing a one-off incident, to make a decision on whether to classify it as bullying, the school shall consider the following criteria:***

- \* severity and significance of the incident***
- \* evidence of pre-meditation***
- \* impact of the incident on individuals (physical/emotional)***
- \* impact of the incidents on wider school community***
- \* previous relationships between those involved***
- \* any previous incidents involving the individuals***

***Any incidents which are not considered bullying behaviour will be addressed under the Positive Behaviour Policy.***

***The following unacceptable behaviours, when repeated, targeted and intentionally hurtful, may be considered a bullying behaviour:***

- \* Verbal or written acts***
  - saying mean and hurtful things to, or about, others***
  - making fun of others***
  - calling another pupil mean and hurtful names***
  - telling lies or spread false rumours about others***
  - try to make other pupils dislike another pupil/s***
- \* Physical acts***
  - Hitting***
  - kicking***
  - pushing***
  - shoving***
  - material harm, such as taking/stealing money or possessions or causing damage to possessions***
- \* Omission (Exclusion)***

- *Leaving someone out of a game*
- *Refusing to include someone in group work*

**\* *Electronic Acts***

- *Using online platforms or other electronic communication to carry out many of the written acts noted above*
- *Impersonating someone online to cause hurt*
- *Sharing images (e.g. photographs or videos) online to embarrass someone*

This list is not exhaustive and other behaviours which fit with the definition may be considered bullying behaviour also.

The various motivations behind bullying, including those named in the Act include, but are not limited to:

- |                                   |                             |
|-----------------------------------|-----------------------------|
| * Age                             | * Pregnancy                 |
| * Appearance                      | * Marital status            |
| * Breakdown in peer relationships | * Race                      |
| * Community background            | * Religion                  |
| * Political affiliation           | * Disability / SEN          |
| * Gender identity                 | * Ability                   |
| * Sexual orientation              | * Looked After Child status |
|                                   | * Young Carer status        |

***Bullying is an emotive issue, therefore it is essential that we ensure we use supportive, understanding language when discussing these matters. For that reason, we will not refer to a pupil as 'a bully', nor will we refer to a pupil as 'a victim'. Instead, we will refer to the pupil by describing the situation surrounding that child, for example:***

- \* *A child displaying bullying behaviours***
- \* *A child experiencing bullying behaviours***

***We encourage all members of the school community to use this language when discussing bullying incidents.***

***In determining 'harm' we define:***

- \* Emotional or psychological harm as intentionally causing distress or anxiety by scaring, humiliating or affecting adversely a pupil's self-esteem.***
  - \* Physical harm as intentionally hurting a pupil by causing injuries such as bruises, broken bones, burns or cuts.***
- 

Under legislation, the focus for all anti-bullying work should be on prevention. Key actions that will be taken forward, with the aim of preventing bullying and creating a safe learning environment are but not limited to:

- \* Raising awareness and understanding of the positive behaviour expectations, as set out in the Positive Behaviour Policy
- \* Promotion of anti-bullying messages through the curriculum e.g. inclusion of age-appropriate material specific to individual subject areas related to bullying, positive behaviour and inclusion
- \* Addressing issues such as the various forms of bullying, including the how and why it can happen, through LLW (e.g. sectarian, racist, homophobic, transphobic, disablist, etc.)
- \* Through the preventative curriculum actively promote positive emotional health and wellbeing (e.g. mindfulness training)
- \* Participation in the NIABF annual Anti-Bullying Week activities
- \* Engagement in key national and regional campaigns, e.g. Safer Internet Day, Good Relations Week, etc.
- \* Development of peer-led systems (e.g. Pupil Forum) to support the delivery and promotion of key anti-bullying messaging within the school
- \* Development of effective strategies for the management of unstructured times (e.g. break time, lunch)

Ardmore has a duty to put in place preventative measures to prevent bullying behaviour on the way to and from school.:

- \* Regular engagement with transport providers (e.g. Translink, EA Transport, etc.) to ensure effective communication and the early identification of any concerns.
- \* Promotion of key anti-bullying messages and awareness of behaviour expectations of pupils amongst the local community (e.g. local shops, cafes, service providers, residents, etc.), including information on how to raise any concerns with the school.
- \* Appropriate deployment of staff to support the transition from school day to journey home (e.g. staff duty at school gate)

Ardmore House has the authority to take steps to prevent bullying through the use of electronic communication amongst pupils at any time during term, where that behaviour is likely to have a detrimental effect on the pupil's education at school. We will endeavour to raise awareness of the nature and impact of online bullying and support our pupils to make use of the internet in a safe, responsible and respectful way. This may include:

- \* Addressing key themes of online behaviour and risk through LLW, including understanding how to respond to harm and the consequences of inappropriate use.
- \* Participation in Anti-Bullying Week activities.
- \* Engagement with key statutory and voluntary sector agencies (eg. C2k, PSNI, Public Health Agency, Safeguarding Board for NI e-Safety Forum) to support the promotion of key messages.
- \* Participation in annual Safer Internet Day and promotion of key messages throughout the year.
- \* Development and implementation of robust and appropriate policies in related areas (e.g. Acceptable Use of the Internet Policy, Filtering and Blocking Policy, Mobile Phone Policy, Connected Devices Policy, etc.)

Everyone has responsibility for creating a safe and supportive learning environment for all members of the school community. Everyone in the school community, including pupils, their parents/carers and the staff of the school are expected to respect the rights of others to be safe.

Everyone has the responsibility to work together to:

- \* foster positive self-esteem
- \* behave towards others in a mutually respectful way
- \* model high standards of personal pro-social behaviour
- \* be alert to signs of distress and other possible indications of bullying behaviour
- \* inform the school of any concerns relating to bullying behaviour
- \* refrain from becoming involved in any kind of bullying behaviour, even at the risk of incurring temporary unpopularity.
- \* refrain from retaliating to any form of bullying behaviour
- \* intervene to support any person who is being bullied, unless it is unsafe to do so.
- \* report any concerns or instances of bullying behaviour witnessed or suspected, to a member of staff.
- \* emphasise the importance of seeking help from a trusted adult about bullying behaviour when it happens or is observed
- \* explain the implications of allowing the bullying behaviour to continue unchecked, for themselves and/or others.

- \* listen sensitively to anyone who has been bullied, take what is said seriously, and provide reassurance that appropriate action will be taken
- \* know how to seek support – internal and external
- \* resolve difficulties in restorative ways to prevent recurring bullying behaviour and meet the needs of all parties

### Pupils Reporting a Concern

Children and young people have told NIABF that when they have a concern about a potential bullying situation, they would like the opportunity to discuss this with a member of staff that they trust. While many schools may wish to identify key staff with responsibility for bullying, it is essential that pupils are encouraged to raise concerns with any member of staff, including teaching and non-teaching staff.

The ways pupils can raise concerns and how these can be communicated to staff include:

- \* By writing a note to a member of staff
- \* Verbally- talking to a member of staff

ANY pupil can raise a concern about bullying behaviour, not just the pupil who is experiencing this behaviour. All pupils should be encouraged to 'get help' if they have a concern about bullying that they experience or is experienced by another.

### Parents/Carers Reporting a Concern

Parents and carers have a responsibility to raise concerns about alleged bullying behaviour with the school at the earliest opportunity. Parents/carers are reminded of the need to encourage their children to react appropriately to bullying behaviour and to not do anything to retaliate or to 'hit back'.

- \* In the first instance, all bullying concerns should be reported to the Class Teacher
- \* Where the parent is not satisfied that appropriate action has been taken to prevent further incidents, or where further incidents have taken place, the concern should be reported to the Vice-Principal
- \* Where the parent is not satisfied that appropriate action has been taken by the Vice-Principal to prevent further incidents, or where further incidents have taken place, the concern should be reported to Principal.

Where the parent/carer remains unsatisfied that the concern has not been appropriately responded to, the school's complaints procedure should be followed. This involves making a

formal, written complaint, to the Chair of the Board of Governors. The school's complaints procedure is available on the website or on request. While the majority of reports of bullying concerns will come from pupils and their parents/carers, we must be open to receiving such reports from anyone.

All reports of bullying concerns received from pupils and/or parents/carers will be responded to in line with this policy and that feedback will be made to the person who made the report. However, it must be noted that no information about action taken in relation to a pupil can be disclosed to anyone other than the pupil and his/her parents/carers.

### Responding to a Bullying Concern

This section provides the framework for how all reports of alleged bullying behaviour, or any concerns identified, will be responded to by the school. This includes the outline process that will be employed, as well as the approach the school will take in its response. It must be remembered that the focus of any intervention must be on responding to the bullying concern and restoring the wellbeing of those involved. As such, any strategy for responding to bullying concerns must concentrate on the prevention of any further incidents.

***The processes outlined below provides a framework for how the school will respond to any bullying concerns identified.***

***Using the NIABF Effective Responses to Bullying Behaviour resource, the member of staff responsible shall...***

- \* ***Clarify facts and perceptions***
- \* ***Check records***
- \* ***Assess the incident against the criteria for bullying behaviour***
- \* ***Identify any themes or motivating factors***
- \* ***Identify the type of bullying behaviour being displayed***
- \* ***Identify intervention level***
- \* ***Select and implement appropriate interventions for all pupils involved, including appropriate interventions, consequences and sanctions not listed in the Effective Responses to Bullying Behaviour resource***
- \* ***Track, monitor and record effectiveness of interventions***
- \* ***Review outcome of interventions***
- \* ***Select and implement further intentions as necessary***

NIABF advocates a restorative approach to responding to bullying behaviour. Interventions suggested in the Effective Responses to Bullying Behaviour resource focus on responding to the behaviour, resolving the concern and restoring the wellbeing of those involved.

When responding to a bullying concern, school staff shall implement interventions aimed at responding to the behaviour, resolving the concern and restoring the wellbeing of those involved. Where appropriate, school staff may implement sanctions for those displaying bullying behaviour.

## Recording

It is a legal requirement, as set out in the Addressing Bullying in Schools Act (NI) 2016, to maintain a record of all incidents of bullying and alleged bullying behaviour.

The school will centrally record all relevant information related to reports of bullying concerns, including:

- \* how the bullying behaviour was displayed (the method)
- \* the motivation for the behaviour
- \* how each incident was addressed by the school
- \* the outcome of the interventions employed.

Department of Education guidance to schools encourages the use of the SIMS Behaviour Management Module for record keeping. ***Records will be kept on the online SIMS Behaviour Management Module, which is part of the C2k system in schools. Access to these records will be restricted and only provided to those members of school staff with a legitimate need to have access.***

***All records will be maintained in line with relevant data protection legislation and guidance and will be disposed of in line with the school's Retention and Disposal of Documents Policy. Collated information regarding incidents of bullying and alleged bullying behaviour will be used to inform the future development of anti-bullying policy and practice within the school.***

## Professional Development of Staff

Ardmore recognises the need for appropriate and adequate training for staff, including teaching and non-teaching school staff. This may include:

- \* a commitment to ensuring that staff are provided with appropriate opportunities for professional development as part of the school's ongoing CPD/PRSD provisions
- \* noting the impact of the training given on both the policy and its procedures - e.g. any amendments made, inclusions added etc.
- \* ensuring that opportunities for safeguarding training are afforded to Governors and all staff – teaching and non-teaching
- \* the CPD records will be kept and updated regularly

## Monitoring and Review of Policy

It is the responsibility of the Board of Governors, in liaison with the Principal, to monitor the effectiveness of the Anti-Bullying Policy. ***To appropriately monitor the effectiveness of the Anti-Bullying Policy, the Board of Governors shall:***

- \* maintain a standing item on the agenda of each meeting of the Board where a report on recorded incidents of bullying will be noted***
- \* identify trends and priorities for action***
- \* assess the effectiveness of strategies aimed at preventing bullying behaviour***
- \* assess the effectiveness of strategies aimed at responding to bullying behaviour***

It is a legal requirement that the Anti-Bullying Policy be reviewed at intervals of no more than four years. However, this policy will be reviewed following any incident which highlights the need for such a review. It must also be reviewed when directed to by the Department of Education and in light of new guidance.
